Alexandria Gazette

FRIDAY BYEN'G., JANUARY 18.

CADIZ BELLES - You are, by contrast, at once impressed with the smallness of the Cadiz ladies' feet, says a correspondent, yet they are by no means as pretty or as expressive of grace and activity as are these of the Al-xandria belle-But the Cad'z charmer can beat us all hollow in smoking! How grecefully she handles and makes the cigarette, and how seductively she smokes it. The most radical anti-smoker would be converted here in less than an hour.

The art and graces of fuming are here charm ingly studied. 'You smoke frequently,' esy to a "Weenes." 'Oh, yes; alwaye!" archly replies, and puffs all the while. I find that before and after doing anything they re sort to the balony digaratte. It matters not whether it be pills or prayers, haptism or bo luses, the saleke precedes or follows the ordeal. As a rule when the culprit is about to be executed he goes manfully to his doom with a eigarette. If a child has the whooping cough, instead of a duse of easter oil they give the it-

tle dusky cli forty whiffs of tobacco smeke.

I saw the bride, the groom, the "best man," and even the mother in law, all smoking fieres ly like note Pit sturgh, just after the nuprial knot had been tied. What a cloudy condition they would be in if at the mother in law's funeral! In the courts of law the judge for questly frees and fumes over a knotty point, and the entire ju y-it such a body should preside-may he got e from our gaze in a el ud of the parentic weed. I one; saw to Germany ice cream and callbage dished up simultaneously, but not notil to day have I seen a salad served with a trimming of cigares. The beet root was cut into the shape of cigars. Indeed, almost all things, exe pt the grand lattery tickets, take this stape here, and all, tickers and tobacco, end in smoke.

EMBROIDERIES. - We have purchased over 5 000 yards of Hamburg Eliging at a great bargain, and will sell it for one week under its value. Call and see them at I. Eichberg's.

ALEXANDRIA GAZETTE FOR 1880

The Alexandria Gazette, begun in 1799, is the oldest newspaper in Virginia, and it has survived, with few exceptions, all the public presses in America which saw with it the dawn of the nineteenth century. It lives too, not in decay or decrepit, but full of life and youthful vigor, giving all the news, telling the truth without fear, favor or affection, trenching on the privacy of no man's home, but full to the brim with all public information, and giving daily honest udgments of public men and public measures.

It furnishes the news telegrams of the New York Astociated Press and of Meuter's European agency, being, with but two exceptions, the only paper between Baltimore and Richmond that is thus connected with the great fountains of the world's news.

With the coming year all the long tried and improved methods of making a standard newspaper will be continued, with such additional facilities as past experience justifies the proprietor in believing will add to the capacity of the Gazette to serve its readers. It expects to render faithful service to the city, the state and the country by a candid criticism of men and events in the interest of the people of the Common wealth

The year 1880 will be a period of critical interest in both the Union and the Commonwealth. The election of the eighteenth President of the United States will take place, with all the combinations precedent, and counts; consequences and settlements subsequent, well call for record in the coming volume. The developments of the linancial situation, which may portend affluence and comfort or poverty and privation to thousands, are now in progress, and the columns Thompson's Pure Rye Whiskey; Foreign of the Gazette will note each step as well as Wines and Brandies, Ale, Forter of the Gazette will note each step as well as chronicle the result. A new and striking foreign policy is among likely events, and the absorbing interest of it cannot be overestimated. In Virginia there is political chaos and industrial and commercial depression. The way out of this quaginire will fill many of those paragraphs with information of rare interest.

To meet all the demands upon it in an exceptional year, the Gazette will be made a WASH INGTON and RICEMOND NEWSPAPER as well as an ALEXANDRIA JOURNAL. The Richmond and Washington news of the past year has left little to improve, but yet greater effort will be made to insure absolute perfection in these departments.

The city of Alexandria will find as usual its daily history in each evening's issue, and the ntelligence of that section of the Comp on wealth which nature has bound to Alexandria by the curvature of its mountains or the courses of its rivers as well as that portion linked to us by the iron bands of railways, will be assiduously

The Business and Commercial columns of the Gazette will be filled with the earliest and most exact commercial news, edited with such pains taking care as will render an error, where even slight errors are dangerous, impossible.

The Cattle Markets of all the leading points of the world whose rates affect this market will be quoted, and regular statements of the Baltimore, Georgetown, Washington and Alexandria of cattle will appear.

The Flour, Grain and Produce movements will be noted daily, and the sales of the Alexandria and neighboring markets given with accuracy and dispatch. The Grocery and other markets will receive constant attention, and the money or stock markets of the country epitomized for its columns, full details being given to all stocks, &c , which find investors in this section of the country.

The advertising columns of the Gazette offer inducements which experience has shown to afford greater returns for a small investment than any other which can be made.

TERMS OF SUBSCRIPTION.

The beginning of the New Year, which in this case marks the advent of another decade of the world's progress, is deemed a fit time for new features, so that from this date the Gazette for the country (tri-weekly) will be supplied at FOUR DOLLARS per annum, in advance THE NEW RATES.
